ARAGON

HISTORICAL, TEXTURED WIDEPLANK HICKORY

HANDMADE HICKORY WITH A PALETTE OF MEDIUM BROWN TONES

A palette of beautiful medium brown tones accentuated by artisanal hand texturing makes Aragon one of our most popular floors, year after year. The beauty of Aragon is due in large part to Hickory's naturally varying grain patterns, and our artisans hand-select CRAFT Natural Grade Hickory planks that exhibit the optimal balance of heartwood and sapwood. The VintageCRAFT techniques used to hand-work each plank create stunning time-worn textures that are both beautiful to look at and feel wonderful to walk barefoot on. Hickory's exceptional hardness means that an Aragon floor is a great choice for active families with kids and pets.

FINISH

DuRa Finish™ Ultra Matte looks natural and harmonizes with wood's natural texture, while offering superior protection. CRAFT floors are regularly tested by Underwriters Laboratories for VOC emissions and consistently achieve the highest rating of GREENGUARD Gold, demonstrating an ultra-low level of emissions and ensuring a healthy living environment with excellent indoor air quality.

As an option, DuRa Finish™ Ultra Matte can be upgraded to DuRa Finish™ Commercial. This is a great solution for flooring used in a commercial setting where it will receive more foot traffic than in a regular residential application, and where increased abrasion resistance is required.
