

ÁVILA

HISTORICAL, TEXTURED WIDEPLANK HICKORY

HANDMADE HICKORY FLOORS IN LIGHT, NEUTRAL HUES

One of our most popular floors, Ávila features our CRAFT Natural Grade Hickory. The incredible hardness of Hickory, combined with VintageCRAFT hand-texturing means that an Ávila floor will still look great, even after the wear and tear that comes with an active household. Ávila has light, neutral beige hues that compliment both modern and traditional designs, while creating a sense of light and openness in design spaces.

COLLECTION

Castillo Plank

VENEER / ORIGIN / HARDNESS

Hickory - North America - Janka Rating 1820
All Hickory is third-party verified by the Programme for the Endorsement of Forest Certification (PEFC) to be from legal and responsible sources

CORE / ORIGIN / STRENGTH RATING (FB)

Canadian Spruce - Canada - Fb 875
All structural components are made from Canadian Spruce that is third-party certified by the Programme for the Endorsement of Forest Certification (PEFC) to be legal, responsible and sustainable

CREDITS IN GREEN BUILDING RATING SYSTEMS

The values of CRAFT align well with the principles of sustainable building. All CRAFT floors have third-party certifications that contribute to the earning of points in LEED and several other green building rating systems

GREEN MANUFACTURING

All CRAFT floors are manufactured in a state-of-the-art wood flooring manufacturing facility that is fully owned and managed by Creative At Home Enterprises Inc. The facility runs on green, renewable energy, is TRUE Zero-Waste Certified, and is designed to provide a healthy, VOC-free working environment for its employees. The facility is ISO 9001 (Quality Management) and ISO 14001 (Environmental Management) certified

WIDTH / CONSTRUCTION

8" Width - 5/8" Thick
DACS III Construction: (3mm surface wear layer + 12mm DACS III Core)
Made from high quality, solid sawn structural grade Canadian Spruce components in a 2-Layer format

LENGTHS / BOX SIZES

Standard Box: Random 1' to 8' lengths, with the majority of boards being longer lengths 42 sqft per box; 65 lbs (approx.)

LongCRAFT Box: 8 pcs x 10' lengths. Order the quantity that best suits the project; LongCRAFT planks will blend perfectly with standard length boxes. 52.5 sqft per box; 81 lbs (approx.)

INSTALLATION

Suitable for installation above, on or below grade. Approved for installation over Radiant Floor Heating systems

COLOUR VARIATION

Low to medium colour variation

WOOD GRADE

CRAFT Natural Grade: Specially selected to limit excessive colour variation while highlighting some of the wood's natural characteristics

WOOD PATTERN / GRAIN

Hickory boards selected for Ávila can have a variety of heartwood/sapwood patterns, ranging from pure heartwood to heavy sapwood. Due to the various colour treatment process that Ávila undergoes, the heartwood and sapwood distinction is less pronounced than for other colours

TEXTURE / BEVEL

Hand-worked VintageCRAFT artisanal texturing creates the aesthetic of a genuine timeworn floor. Planks are moulded with a 0.7mm radius micro-bevel

WOOD FILLER

All wood floors require some amount of wood filling to compensate for surface imperfections. CRAFT's Artisan Team has created wood filler specifically for Ávila that is designed to harmonize beautifully with Ávila's natural tones

GLUE

Highest quality, formaldehyde-free adhesive used to glue all components; CARB2 Compliant

FINISH

DuRa Finish™ Ultra Matte looks natural and harmonizes with wood's natural texture, while offering superior protection. CRAFT floors are regularly tested by Underwriters Laboratories for VOC emissions and consistently achieve the highest rating of GREENGUARD Gold, demonstrating an ultra-low level of emissions and ensuring a healthy living environment with excellent indoor air quality

As an option, DuRa Finish™ Ultra Matte can be upgraded to DuRa Finish™ Commercial. This is a great solution for flooring used in a commercial setting where it will receive more foot traffic than in a regular residential application, and where increased abrasion resistance is required

GLOSS LEVEL

Matte finish with a gloss level of 6-8%

HERRINGBONE / CHEVRON

Available in Herringbone and Chevron patterns

ACCESSORIES

Stair Nosings and Vents are readily available and use the same wood, surface treatment and finish as that of the wood floor to achieve the utmost in design unity and coordination. T-Moulds and Reducers are available by custom order
