DAVOS

URBAN AND SOPHISTICATED, CONTEMPORARY WIDEPLANK HICKORY

HANDMADE HICKORY FLOORING IN HAZELNUT TONES

With it's hazelnut tone and subtle, neutral sapwood highlights, Davos is one of our most versatile medium brown floors. Made with CRAFT Elite Grade Hickory, Davos boards are strictly selected to minimize colour variation and to maximize clear surfaces. A Davos floor will contain Hickory planks that have been carefully selected to highlight the wood's heartwood/sapwood patterns in order to create a sense of flow and visual interest that speaks to the authentic beauty of this wood. Due to Hickory's exceptional hardness, a Davos floor will withstand the rigors of daily life while looking beautiful for years to come.

FINISH

DuRa Finish™ Ultra Matte looks natural and harmonizes with wood's natural texture, while offering superior protection. CRAFT floors are regularly tested by Underwriters Laboratories for VOC emissions and consistently achieve the highest rating of GREENGUARD Gold, demonstrating an ultra-low level of emissions and ensuring a healthy living environment with excellent indoor air quality.

As an option, DuRa Finish™ Ultra Matte can be upgraded to DuRa Finish™ Commercial. This is a great solution for flooring used in a commercial setting where it will receive more foot traffic than in a regular residential application, and where increased abrasion resistance is required.
