## STYLISH AND VERSATILE WIDEPLANK WHITE OAK

### WHITE OAK FLOORS IN LIGHT AND NATURAL WOOD TONES

The beautiful light brown and beige tones of Teramo are a reflection of the true colour of raw, unfinished oak, making it the perfect choice for projects using lots of natural elements. Wide planks of CRAFT Natural Grade White Oak are specially selected to limit excessive colour variation while highlighting the wood's natural characteristics. The neutral tones of Teramo make it one of our most versatile floors, with it being commonly used in a variety of design styles ranging from traditional to contemporary.
