

AMBONNAY

NATURALLY ORGANIC, WIDEPLANK WHITE OAK

HANDMADE WHITE OAK FLOORS IN LIGHT, WHITEWASHED BEIGE TONES

Reminiscent of the light, whitewashed beige tones found in the rustic vineyards from the Champagne region of France, Ambonney floors are the perfect choice for those seeking an Oak floor with a sense of style and history. Made from CRAFT Natural Grade White Oak, boards are selected to limit excessive colour variation while highlighting some of the wood's natural characteristics. CRAFT's Artisan Team then give Ambonney's planks a medium wire-brushed texture, creating Ambonney's beautifully natural wood grain feel.
