

BAROSSA

NATURALLY ORGANIC, WIDEPLANK WHITE OAK

Barossa's organic appeal comes from the warm and rich copper tones found in naturally-aged oak, reminiscent of a rustic European vineyard. Its accents of hazelnut and amber make Barossa a versatile option for homeowners seeking transitional or modern design styles. Planks are hand-selected from CRAFT Natural Grade White Oak and given a medium wire-brushed texturing and our Ultra Matte finish, resulting in the stunning beauty found in a Barossa floor.

COLLECTION

Vineyard Plank

VENEER / ORIGIN / HARDNESS

White Oak - North America - Janka Rating 1361

All Oak is third-party verified by the Sustainable Forestry Initiative® to be from legal and responsible sources

CORE / ORIGIN / STRENGTH RATING (FB)

Canadian Spruce - Canada - Fb 875

All structural components are made from Canadian Spruce that is third-party certified to the Sustainable Forestry Initiative® to be legal, responsible and sustainable

CREDITS IN GREEN BUILDING RATING SYSTEMS

The values of CRAFT align well with the principles of sustainable building. All CRAFT floors have third-party certifications that contribute to the earning of points in LEED and several other green building rating systems

COLOUR VARIATION/GRADE

CRAFT Natural Grade: Specially selected to limit excessive colour variation while highlighting some of the wood's natural characteristics. Low to medium colour variation.

WOOD PATTERN / GRAIN

The White Oak planks selected for our Barossa floors will be mostly pure heartwood boards with the occasional small sliver of sapwood

FINISH / GLOSS LEVEL

DuRa Finish™ Ultra Matte looks natural and harmonizes with wood's natural texture, while offering superior protection. Third-party certified by Underwriters Laboratories to the level of GREENGUARD Gold, demonstrating the most stringent level of low emissions available to ensure a healthy living environment with excellent indoor air quality

WIDTH / CONSTRUCTION

8" Width: **ENCORE** 5/8" thick DACS III Construction with solid sawn components in a 2-Layer format (3mm surface wear layer + 12mm DACS III Core)
3/4" **PRESTIGE** Construction available with 1000 sq ft minimum custom order. Call for options and quote.

LENGTHS / BOX SIZES

ENCORE Std. Box: Random 1' to 8' lengths, 42.0 sqft/approx. 65 lbs per box
ENCORE LongCRAFT Box: 8 x 10' lengths, 52.5 sqft/approx. 81 lbs per box

TEXTURE/BEVELS

Medium wire-brushing gives the wood grain an enhanced texture. Small bevel.

GLUE

Highest quality, formaldehyde-free adhesive used to glue all components; CARB2 Compliant

ACCESSORIES

Stair Nosings, Vents, T-Moulding and Reducers use the same wood, surface treatment and finish as that of the wood floor to achieve the utmost in design unity and coordination

INSTALLATION

Suitable for installation above, on or below grade
Approved for installation over Radiant Floor Heating systems

WARRANTY

30 Year Finish Warranty; Limited Lifetime Structural Warranty;
3 Year Light Commercial Warranty
