

CASTILLO PLANK COLLECTION

HISTORICAL, TEXTURED WIDEPLANK HICKORY

Rustic enough to capture the **organic characteristics of nature**, yet clean enough to add style to a contemporary setting. The **Castillo Plank Collection** infuses a time honoured **historical foundation into a modern aesthetic**.

Castillo Plank's wide, long planks minimize seams, **preserve visual flow**, and infuse a sense of **natural organic beauty**.

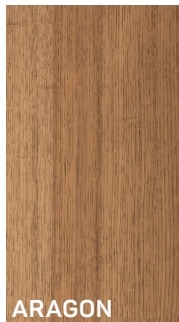

HICKORY *Origin: North Eastern USA*

Hickory is the hardest North American wood used for flooring. CRAFT homeowners love its resilience and its natural wood feeling, making Hickory our most popular hardwood species.

From our craftsmen's perspective, the most unique aspect of Hickory is the beautifully distinct patterns that result from the wood's varying grain pattern, which features more sapwood than that found in other species such as Oak or Walnut.
