

## CONTEMPA COLLECTION

### MODERN, URBAN-NATURAL WIDEPLANK WHITE OAK

The **Contempa Collection** exudes an unmistakable feeling of luxury and grace. Created for design conscious individuals looking for an urban-natural vibe and the right balance of casual sophistication, the Contempa Collection features **American White Oak** that has been artfully selected for its **refined character and distinctive beauty**. Contempa's wide, long planks minimize seams, **preserve visual flow**, and infuse a sense of pure **simplicity and elegance**.

### WHITE OAK *Origin: Eastern USA*

Among the myriad sub-species of Oak found around the world, American White Oak stands out as the finest.

CRAFT's wood artisans love working with White Oak because of its beautifully consistent colour and grain pattern. These characteristics create a versatile canvas, allowing the CRAFT Artisan Team to skillfully apply a range of artisanal processes that transform White Oak into an array of stunning and naturally alluring colours.

PROVENCE

OXFORD

GREYCASTLE

BRIGHTON

## COLOUR VARIATION

Brighton, Genoa: Low colour variation  
Aberdeen, Brevik, Calais, Greycastle, Linden, Oxford,  
Provence: Low to medium colour variation

## WOOD GRADE

CRAFT Premium Grade: Specially selected to limit excessive colour variation and establish the optimal balance between the wood's natural characteristics and clear surfaces

## TEXTURE / BEVEL

Refined techniques including wire-brushed texturing and fine hand sanding make the grain of a real wood floor come alive. Planks are moulded with a 0.7mm radius micro-bevel

## WOOD FILLER

All wood floors require some amount of wood filling to compensate for surface imperfections. CRAFT's artisans use more than 20 different shades of wood filler to get the most aesthetically harmonious result, while looking as natural as possible

## HERRINGBONE / CHEVRON

Available in Herringbone and Chevron patterns

## ACCESSORIES

Stair Nosings and Vents are readily available and use the same wood, surface treatment and finish as that of the wood floor to achieve the utmost in design unity and coordination. T-Moulds and Reducers are available by custom order

## FINISH / GLOSS LEVEL

DuRa Finish™ Ultra Matte looks natural and harmonizes with the natural texture of wood while providing superior protection. Its beautiful appearance mimics a natural oil finish, and its high degree of clarity creates the radiance and wood luster that CRAFT floors are known for.

As an option, DuRa Finish™ Ultra Matte can be upgraded to DuRa Finish™ Commercial. This is a great solution for flooring used in a commercial setting where it will receive more foot traffic than in a regular residential application, and where increased abrasion resistance is required

Matte finish with a gloss level of 6-8%

## WARRANTY

DuRa Finish™ Ultra Matte: Dura Finish 30 Year Finish Warranty; Limited Lifetime Structural Warranty; 3 Year Light Commercial Warranty

DuRa Finish™ COMMERCIAL: 10 Year Commercial Wear Warranty; Limited Lifetime Structural Warranty. 60 year Residential Wear Warranty applies when using Commercial Finish in residential settings

## GREEN MANUFACTURING

All CRAFT floors are manufactured in a state-of-the-art wood flooring manufacturing facility that is fully owned and managed by Creative At Home Enterprises Inc. The facility runs on green, renewable energy, is TRUE Zero-Waste Certified, and is designed to provide a healthy, VOC-free working environment for its employees. The facility is ISO 9001 (Quality Management) and ISO 14001 (Environmental Management) certified

## PEOPLE & PLANET

All CRAFT floors achieve the highest level of green certification, promoting forest well-being and healthy living spaces. [craftfloor.com/planet](http://craftfloor.com/planet)
