

EVORA

ORGANIC, LIGHT AND NATURAL, WIDEPLANK HICKORY

HANDMADE HICKORY WITH A LIGHT,
WHITEWASHED FINISH

Evora's light colour works well with contemporary design concepts, but at the same time conveys the natural shapes and patterns that result from the interplay of Hickory's heartwood and sapwood. Thanks to its carefully selected grain pattern and colour, Evora expresses a personality that readily brings the beauty of natural elements into a modern setting.
