

GRAVINA

NATURALLY ORGANIC, WIDEPLANK WHITE OAK

To make a Gravina floor, our skilled artisans put each plank through a multi-step fuming and colour treatment process. The result is a palette of beautiful sandy beige tones similar to the patina of a naturally aged, antique oak floor. Featuring CRAFT Natural Grade White Oak, Gravina is a contemporary interpretation of an authentic historical floor that is versatile enough for both white-based spaces and more earthy applications.
