

# KAVALA

## ORGANIC, LIGHT AND NATURAL, WIDEPLANK HICKORY

### HANDMADE HICKORY IN LIGHT BROWN WITH SAPWOOD HIGHLIGHTS

Kavala floors are made possible by the intensive grading of our CRAFT Elite Grade Hickory. The result is a cleaner, more linear heartwood/sapwood pattern than other natural Hickory floors. Due to Hickory's exceptional hardness, a Kavala floor will withstand the rigors of daily life while looking beautiful for years to come. The earthy, organic beauty of Kavala makes it perfect for projects that incorporate natural elements with contemporary design.

#### COLLECTION

Zen

#### VENEER / ORIGIN / HARDNESS

Hickory - North America - Janka Rating 1820

All Hickory is third-party verified by the Programme for the Endorsement of Forest Certification (PEFC) to be from legal and responsible sources

#### CORE / ORIGIN / STRENGTH RATING (FB)

Canadian Spruce - Canada - Fb 875

All structural components are made from Canadian Spruce that is third-party certified by the Programme for the Endorsement of Forest Certification (PEFC) to be legal, responsible and sustainable

#### CREDITS IN GREEN BUILDING RATING SYSTEMS

The values of CRAFT align well with the principles of sustainable building. All CRAFT floors have third-party certifications that contribute to the earning of points in LEED and several other green building rating systems

#### GREEN MANUFACTURING

All CRAFT floors are manufactured in a state-of-the-art wood flooring manufacturing facility that is fully owned and managed by Creative At Home Enterprises Inc. The facility runs on green, renewable energy, is TRUE Zero-Waste Certified, and is designed to provide a healthy, VOC-free working environment for its employees. The facility is ISO 9001 (Quality Management) and ISO 14001 (Environmental Management) certified

#### WIDTH / CONSTRUCTION

8" Width - 5/8" Thick

DACS III Construction: (3mm surface wear layer + 12mm DACS III Core)  
Made from high quality, solid sawn structural grade Canadian Spruce components in a 2-Layer format

#### LENGTHS / BOX SIZES

Standard Box: Random 1' to 8' lengths, with the majority of boards being longer lengths 42 sqft per box; 65 lbs (approx.)

LongCRAFT Box: 8 pcs x 10' lengths. Order the quantity that best suits the project; LongCRAFT planks will blend perfectly with standard length boxes. 52.5 sqft per box; 81 lbs (approx.)

#### INSTALLATION

Suitable for installation above, on or below grade. Approved for installation over Radiant Floor Heating systems

#### WARRANTY

DuRa Finish™ Ultra Matte: Dura Finish 30 Year Finish Warranty; Limited Lifetime Structural Warranty; 3 Year Light Commercial Warranty

DuRa Finish™ COMMERCIAL: 10 Year Commercial Wear Warranty; Limited Lifetime Structural Warranty. 60 year Residential Wear Warranty applies when using Commercial Finish in residential settings

---

## COLOUR VARIATION

Low colour variation

---

## WOOD GRADE

CRAFT Elite Grade: Strictly selected to minimize colour variation and to maximize clear surfaces while still maintaining a minimal amount of the wood's natural characteristics

---

## WOOD PATTERN / GRAIN

The distinctive, unique look of Kavala is primarily due to the strict selection of its hickory planks. Kavala boards are selected to have a medium colour, heavy heartwood pattern with thin trips of sapwood along the edges for accent

---

## TEXTURE / BEVEL

Refined techniques including wire-brushed texturing make the grain of a real wood floor come alive. Planks are moulded with a 0.7mm radius micro-bevel

---

## WOOD FILLER

All wood floors require some amount of wood filling to compensate for surface imperfections. CRAFT's Artisan Team has created wood filler specifically for Kavala that is designed to harmonize beautifully with Kavala's natural tones

---

## GLUE

Highest quality, formaldehyde-free adhesive used to glue all components; CARB2 Compliant

---

## FINISH

DuRa Finish™ Ultra Matte looks natural and harmonizes with wood's natural texture, while offering superior protection. CRAFT floors are regularly tested by Underwriters Laboratories for VOC emissions and consistently achieve the highest rating of GREENGUARD Gold, demonstrating an ultra-low level of emissions and ensuring a healthy living environment with excellent indoor air quality

As an option, DuRa Finish™ Ultra Matte can be upgraded to DuRa Finish™ Commercial. This is a great solution for flooring used in a commercial setting where it will receive more foot traffic than in a regular residential application, and where increased abrasion resistance is required

---

## GLOSS LEVEL

Matte finish with a gloss level of 6-8%

---

## HERRINGBONE / CHEVRON

Available in Herringbone and Chevron patterns

---

## ACCESSORIES

Stair Nosings and Vents are readily available and use the same wood, surface treatment and finish as that of the wood floor to achieve the utmost in design unity and coordination. T-Moulds and Reducers are available by custom order
