## NATURALLY ORGANIC, WIDEPLANK WHITE OAK

### HANDMADE WHITE OAK FLOORS IN A MEDIUM WHEAT TONE

A Sonoma floor, with its light brown hues, comfortable style and natural wood character, is a contemporary interpretation of an authentic historical floor. Made from CRAFT Natural Grade White Oak, boards are selected to limit excessive colour variation while highlighting the wood's natural characteristics. When making a Sonoma floor, CRAFT's Artisan Team gives the wood a medium wire-brushing, creating an organic wood texture that looks beautiful and feels wonderful to walk barefoot on.
