### NATURALLY ORGANIC, WIDEPLANK WHITE OAK

Our **Vineyard Plank Collection** is crafted exclusively from sustainably produced, American White Oak. Every plank in this collection is hand made by skillful artisans who know and love the welcoming character of this wood. The Vineyard Plank Collection is a favourite choice among designers and homeowners looking for a true statement of historical charm and the distinctive appearance of a **genuine vintage floor**. Vineyard Plank's wide, long planks minimize seams, **preserve visual flow**, and infuse a sense of **natural organic beauty**.

### WHITE OAK *Origin: Eastern USA*

Among the myriad sub-species of Oak found around the world, American White Oak stands out as the finest.

CRAFT's wood artisans love working with White Oak because of its beautifully consistent colour and grain pattern. These characteristics create a versatile canvas, allowing the CRAFT Artisan Team to skillfully apply a range of artisanal processes that transform White Oak into an array of stunning and naturally alluring colours.
