HICKORY *Origin: North Eastern USA*

Hickory is the hardest North American wood used for flooring. CRAFT homeowners love its resilience and its natural wood feeling, making Hickory our most popular hardwood species.

From our craftsmen's perspective, the most unique aspect of Hickory is the beautifully distinct patterns that result from the wood's varying grain pattern, which features more sapwood than that found in other species such as Oak or Walnut.

COLOUR VARIATION

Andorra, Evora, Kavala, Messina: Low colour variation.
Orissa: Low to medium colour variation

WOOD GRADE

CRAFT Elite Grade: Strictly selected to minimize colour variation and to maximize clear surfaces while still maintaining a minimal amount of the wood's natural characteristics

TEXTURE / BEVEL

Refined techniques including wire-brushed texturing make the grain of a real wood floor come alive. Planks are moulded with a 0.7mm radius micro-bevel

WOOD FILLER

All wood floors require some amount of wood filling to compensate for surface imperfections. CRAFT's artisans use more than 20 different shades of wood filler to get the most aesthetically harmonious result, while looking as natural as possible

HERRINGBONE / CHEVRON

Available in Herringbone and Chevron patterns

ACCESSORIES

Stair Nosings and Vents are readily available and use the same wood, surface treatment and finish as that of the wood floor to achieve the utmost in design unity and coordination. T-Moulds and Reducers are available by custom order

FINISH / GLOSS LEVEL

DuRa Finish™ Ultra Matte looks natural and harmonizes with the natural texture of wood while providing superior protection. Its beautiful appearance mimics a natural oil finish, and its high degree of clarity creates the radiance and wood luster that CRAFT floors are known for.

As an option, DuRa Finish™ Ultra Matte can be upgraded to DuRa Finish™ Commercial. This is a great solution for flooring used in a commercial setting where it will receive more foot traffic than in a regular residential application, and where increased abrasion resistance is required

Matte finish with a gloss level of 6-8%

WARRANTY

DuRa Finish™ Ultra Matte: Dura Finish 30 Year Finish Warranty; Limited Lifetime Structural Warranty; 3 Year Light Commercial Warranty

DuRa Finish™ COMMERCIAL: 10 Year Commercial Wear Warranty; Limited Lifetime Structural Warranty. 60 year Residential Wear Warranty applies when using Commercial Finish in residential settings
